18. Changes in said restrictive covenants and conditions which do not conflict with the provisions of the aforesaid Warranty Deed and the Exhibits thereto, may be made only upon written consent and approval of SELLER and at least eighty (80%) per cent of the record owners of lots in said Subdivision.

19. These covenants, restrictions and conditions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date of such restrictions, covenants, and conditions being first impressed upon said property and Subdivision, after which time said restrictions, covenants and conditions shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the lot owners in said Subdivision has been recorded, agreeing to a change in said Subdivision, agreeing to a change in said restrictions, covenants, and conditions, in whole or in part.
